SKETCHES FROM THE GREAT AHRIMAN SOCIAL RESET REVOLUTION

It has been almost 10-years
since the Guru Ahriman and his
assorted cadre of WEF Goonies,
ANTFA Militia and Jedi
Refugees were roundly
defeated by the brave lads of
Republic of Texas National
Guard and their allies from the
Free Nations Confederation.
I was looking through my old
steamer trunk and found these
sketches and illustrations of

what we now refer to as the Lost
Generation of Ahriman Youth
who blindly threw off the chains
of their parents' worldly
processions to follow his dream
of achieving total happiness by
owning nothing. Sad how
dreams never seem to work out
here in the real world!

They fought with him to the
better end, at the Great Battle of
the Tulsa Space Port and I
thought you might find these
rare doddles of some historic
interest.
